Formats of play

Medal Play

Stroke play, also known as medal play, is a scoring system in golf. It involves counting the total number of strokes taken on each hole during a given round, or series of rounds. The winner is the player who has taken the fewest strokes. Your handicap will be deducted from your total score. The ball must be holed out on every hole otherwise the player's score is totalled as a non-return.

Stableford Points

Stableford is a scoring system used in golf. Rather than counting the total number of strokes taken, as in stroke play, it involves scoring points based on the number of strokes taken at each hole. Unlike traditional scoring methods, where the aim is to have the lowest score, under Stableford rules, the objective is to have the highest score.

| Points | Strokes taken in relation to adjusted fixed score |
|--------|---|
| 0 | 2 strokes or more over, or no score recorded |
| 1 | 1 stroke over |
| 2 | Same number of strokes |
| 3 | 1 stroke under |
| 4 | 2 strokes under |
| 5 | 3 strokes under |
| 6 | 4 strokes under |

Stableford can have the added benefit of speeding up the pace of play, as once it is no longer possible to score a point, players do not have to complete the hole but can simply pick up their ball and proceed to the next hole. It is a popular form of the game, as it is still possible to record a competitive score despite having the occasional bad hole. To score the ball must be holed out.

Match Play

Match play scoring consists of individual holes won, halved or lost. On each hole, the most that can be gained is one point. Golfers play as normal, counting the strokes taken on a given hole. The golfer with the lowest score on a given hole receives one point. If the golfers tie, then the hole is halved. For example, in an 18-hole match, the first hole is a par 4 and Player A scores a 3 (birdie) and Player B scores a 4 (par); Player A is now 1-up with 17 to play. In the same match on the second hole, a par-5, Player A takes 8 strokes and Player B takes 5 (par); Player B wins the hole and the match is now "all square" with 16 to play. Once a player is "up" more holes than there are holes remaining to play, the match is over. For example, if after 12 holes Player A is 7-up with six holes left to play, Player A is said to have won the match "7 and 6".

Simon Hill

Having been around the game of golf since childhood, I have followed my passion and quest to achieve greater understanding of how we influence ball flight. In the modern era of golf instruction, the potential is huge to gather actual facts about the ball's behaviour. However, my approach is far more personable and I pride myself in demonstrating to each individual, even if this is in a group setting. Some very simple concepts need to be grasped and then the fun really starts with however each individual goes about producing the desired IMPACT.

"I Just wanted to thank you again for arranging such a wonderful week at the Penina Hotel. The effort and organisation you put in was truly amazing and greatly appreciated. I thought what we did for the price was unbelievable. I loved the teaching and the opportunity to play on a "big boys" golf course - never to be forgotten, and to have buggies was fantastic. I learned such a lot and only hope I can put it to good use. The hotel was great. Fantastic restaurants and lovely fellow participants. But best of all your presence."

Captain's Charity 2020 – West London Mission

Throughout 2020, the then Club Captains, Ian Madgin and Ingrid Deane-Williams decided that they would like to make WLM (West London Mission) their chosen charity for their captaincy year. A very worthy cause and one that we have been proud as a club to support. Although 2020 was a very stop start year for golf the club still managed to raise a total of **£2420.60** which will be presented to WLM in April. Thank you for all your incredible support and generosity through the season.

West London Mission
Transforming lives since 1887

We are part of the West London Mission Circuit which includes Hinde Street Methodist Church, King's Cross Methodist Church and Methodist Chaplaincy House. Our diverse projects share a common vision of enabling transformative change for people in challenging circumstances. We are proud of our inclusive Christian approach which is welcoming and celebrates the diversity of our staff, clients and society. We embrace partnerships with other agencies and prioritise the empowerment of those we work with.

Night Golf & Awards Presentation

Thursday 28th October 2021

Our annual awards presentation evening is celebrated each year alongside our Night Golf team event. If you haven't experienced Night Golf before you really should as this event is such great fun!

A shotgun start kicks off the evening with teams of 4 players working together to record the team's best 2 scores per hole.

As this event has high costs the entry fee per team will be **£50** (£12.50 per person) which also includes a hot plated meal afterwards. Non members are welcome at an additional green fee rate of £7.50.

It would be much appreciated if **ALL** the medal and stableford winners for the months of October 2020 to September 2021 would make an effort to take part and come along to collect their award this evening.

Our Night Golf event can facilitate a maximum of 11 teams of 4 players and is sure to fill up fast so please mark this date in your diary and act promptly to the reminder email that is sent out a few weeks before.

Do you walk off the course not really understanding why your score doesn't seem to match how you feel you played? It's time to change that and take control over your scores once again.

Our PGA Professional golf coaches join you on the course of David Lloyd Hampton Golf Club. The coach looks in detail at your technique and gives you helpful advice. This is also a good way to learn new techniques. On-course playing lessons can be a great way to learn how to play shots out during battle and can allow us to analyse how you play all golf shots on the course, if you are selecting the appropriate shots and even assess your pre-shot routine.

On-course coaching is also great for new golfers as we can assist with things such as etiquette and how to speed up play just by positioning your bag in the correct spot around the course. Any one of our PGA Golf Professionals are available to take you out for either 6, 9 or 18 hole playing lesson.

Captains' Charity: Pancreatic Cancer UK

This year your Captains Jason Kotowski and Ingrid Deane-Williams have chosen Pancreatic Cancer UK – a charity that is close to Jason's heart since his father died of pancreatic cancer.

This charity supports people affected by pancreatic cancer and funds ground-breaking research into early diagnosis and better treatment. Pancreatic cancer is difficult to detect and 80% of patients are diagnosed when the disease is already advanced and often too late to treat.

Please read up about Pancreatic Cancer UK on **www.pancreaticcancer.org.uk** to familiarise yourself with the amazing work they do. We hope that our members will help us raise funds throughout the year for this worthy cause.

For those who don't know, we have a Charity Bunker on the third hole, on the front right-hand side of the green: if you have the misfortune of hitting your ball in that bunker we ask that you donate £1 to our charity. This is of course voluntary, and we thank you in advance for your generosity. There will always be a box/envelope in the golf office to receive your donations... and there will often be a captain or vice-captain around to ask if you 'visited' that bunker recently!

Also, as per tradition, the Club will organise a Captains Charity Golf Day at the end of August 2021, with all profits going to Pancreatic Cancer UK.

So let's all try and be even more generous golfers this year and make a difference to Pancreatic cancer UK!

Do you know the symptoms of pancreatic cancer?

Tummy pain or back pain

Unexplained weight loss or loss of appetite

Jaundice (yellow skin or eyes and itchy skin)

Change in bowel habits

Indigestion

If you have jaundice, go to your GP or A&E without delay. If you have any of the other symptoms for four weeks or more, and you don't know why you have them, go to your GP. Remember that these symptoms could have more common causes.
